Dear Morgan

WORKING PARTY ON A NATIONAL PLAN FOR MUSEUMS

This is to let you know that I have just received your letter of the 29 July with the copy of the survey of your Biology Curators' Group and I have also received today the other two copies.

This is very valuable information and I know that the Working Party will be most grateful to have it. I hope that you will be able to convey our thanks to the Group for taking this trouble to ascertain the resources of all the various centres.

Sincerely

Hugh Wakefield
Secretary to the Working Party
