PLEASE NOTE that the A.G.M. itself has been placed at the end of the day. This is for two reasons. At the 1980 meeting, there was a feeling that it would be more appropriate at this time, and secondly, the logistics of planning the meeting at Birmingham also make this a particularly suitable time of the day for the meeting.

Dr Abell Seddon would be grateful if those intending to attend this meeting would let him know in advance in order to have numbers for the morning coffee and afternoon tea.
