Only four weeks ago, at the Sheffield A.G.M., we were elected as editors for the Newsletter. In this short time we have already fully realised the efforts of our predecessors. In particular we must thank Geoff Hancock, not only for his editorial involvement with the Newsletter for the past five years, but also for the smooth hand-over and good housekeeping of all those back-up files which make an editor's life easier. All we require now is a lot of interesting copy from yourselves to make our lives easier.

Geoff Hancock will not be allowed to escape entirely as he will continue as Production Editor in charge of printing and distribution.
