NatSCA supports open access publication as part of its mission is to promote and support natural science collections. NatSCA uses the Creative Commons Attribution License (CCAL) <http://creativecommons.org/licenses/by/2.5/> for all works we publish. Under CCAL authors retain ownership of the copyright for their article, but authors allow anyone to download, reuse, reprint, modify, distribute, and/or copy articles in NatSCA publications, so long as the original authors and source are cited.

EDITORIAL

A rather short Newsletter. The reports from the September seminar are due out shortly, but are, unfortunately, too late to mail with this issue. They will definitely be out before the April forum, (barring major disasters).

REMEMBER THAT YOUR SUBSCRIPTIONS ARE NOW DUE.  
SEE THE ENCLOSED FORM.

Please keep up the excellent quality of copy which we have received during the past year.

Finally, I hope that enough people will attend our A.G.M. this year to ensure that it is quorate.

Steve Garland & Derek Whiteley
