## Courses and Meetings

### BEST VALUE

#### A one day seminar

28<sup>th</sup> September 2000

A one day seminar is being organised by the NSCG devoted to Best Value and how it affects museums, with a particular emphasis on conservation and collections management.

- Has your Museum been through or is it going through the Best Value process at present?
- How did your museum tackle Best Value?
- Was it a success?
- Could you have done it better?
- If so, have you any advice for other museum professionals?

We are issuing a call for speakers at a one day seminar to be held at:-
